**Announcement to full membership, December 6, 2016**

The vote to institute a NACC Accreditation Implementation Plan Task Force has passed, with a total of 32 votes in favor and 5 votes opposed (includes in-person and electronic votes; 12 members did not participate in the vote). As a result, NACC will create a task force to develop an implementation plan consistent with the frameworks outlined in the [Position Paper](#), and will return to NACC member representatives for further vote within 6 months. That vote will be the “stop or go” decision.

We are currently seeking volunteers to serve on this Task Force. If you are interested in developing an implementation plan for accreditation, please email [e.vokes@csuohio.edu](mailto:e.vokes@csuohio.edu). Indicate any topics which interest you:

- Administrative model (protocol, staffing, timeline), short term and long term
- Coordination with the NACC membership model
- Financing structure (business plan/budget)
- Curriculum mapping
- Technological implementation

Thank you to everyone who has been a part of the Accreditation consideration thus far. Although the vote implies a base of support, we will move forward to the next step with circumspection, due to the potentially far-reaching effects of the initiative.
